is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on **test report HKAO 063761.1**

for the following articles:

Metal fastener, painted (in a limited range of 6 paints) or electroplated, partially made with polyamide (in colour black) or thermal plastic rubber (TPR) in primary color (based on materials pre-certified according to Oeko-Tex® Standard 100)

The results of the inspection made according to Oeko-Tex® Standard 100, product class I for baby articles, have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established.

The certified articles fulfil the requirements of the existing European legislation regarding the use of azo-dyes.

The holder of the certificate, who has issued a conformity declaration according to EN ISO 17050-1, is obliged to use the Oeko-Tex® mark only in conjunction with products that are conform with the sample initially tested.

This authorization is valid until 31.05.2010
